

BARDAVON BUSINESS COUNCIL

The Bardavon Business Council offers a unique way for companies to entertain important clients or reward employees for a job well done. As a Business Council Member you'll not only receive complimentary tickets to Bardavon-presented shows at both our venues, but you'll have all the special benefits of membership — discounts on tickets to most events plus preferred seating and advance notice of new bookings when possible. We'll even list your corporate name in our playbill.
